Seeking Experienced OBIEE Resource

Location: Fountain Valley, CA area
Payrate: DOE
Contact: jobs@IntellectIT.com

Please submit H1b copies along with cover letter and resume.

Job Description: This position is for an experienced Oracle Business Intelligence resource with 6+ years of OBIEE experience (versions 11g & 12c). Requires a strong understanding of marketing & financial services, and excellent analytical skills, attention to detail, team work and communication skills. Needs to communicate at different technical levels.

Required Skills & Experience:

- 7 – 9+ years of general, overall Information Technology experience, inclusive of:
- 6+ years of OBIEE experience, specifically with 11g & 12c versions.
- 2-3 years of experience with the ETL tool Informatica.
- 1+ years of experience with DAC (Data Warehouse Application Console)
- Experience with ODI or Siebel CRM Marketing, or OBIEE Marketing segmentation is highly desirable.
